Your Payment Is Due

August 19, 2017

If full payment of the invoiced amount is not received by the invoice due date, you will be charged a monthly late charge of 2.5% of the unpaid amount, with a minimum charge of \$5.00, or such lesser late charge allowed under applicable law, regulation or contract.

States the date payment is due to Waste Management. Anything beyond that date may incur additional charges. Your **Total Due** is the total amount of current charges and any previous unpaid balances combined.

2

Previous balance is the total due from your previous invoice. We subtract any **Payments Received/Adjustments** and add your **Current Charges** from this billing cycle to get a **Total Due** on this invoice. If you have not paid all or a portion of your previous balance, please pay the entire **Total Due** to avoid a late charge or service interruption.
